

Lacy Beach Supply List

Students will bring their own fabrics. Pieces of Lace will be available.

Strips of fabric (jelly roll pieces work) for:

Sky. For the sky, pick 3-5 pieces that you like OR pick one you really like. If you want a sunrise or sunset, add in some pink, peach or purple.

Ocean. Dark, Medium and Light that all play well together

Beach. A few pieces of light beach (obviously beach or just beige). Print or solid (I like prints)

Top stitch threads to match (or closely resemble) your fabric choices. Neutral bobbin.

Lace.

White squares for sail boats

To finish:

Batting

Backing. A fat quarter works

Binding

Rotary Cutter, cutting mat, pins, iron, sewing machine. Paper and pencil for rough sketching. No artistic skills necessary. Just fun.
