### President's Message

#### It Seems to Me...

Everyone wants to be above average. According to the 2022 Quilter's Survey by Premier Needle Arts, the average quilter is a female in her 60's who is retired with a household income above \$65k. The average quilter has been quilting for over 10 years and starts 10 to 12 quilt projects a year, mostly in a traditional style. The average quilter spends more than 6 hours a week working on projects, mostly lap or queen size quilts. The average quilter is comfortable with tech and utilizes digital / social media daily for learning and inspiration. Shopping-wise, the average quilter prefers to shop locally versus online. Product availability is more important than price/promotion. The average quilter is part of 10 million active quilters in the US and Canada supporting a \$4.5 billion industry. For more details on the survey results: [The Size of the Quilting Market: Quilting Trends Survey Results 2022 - Craft Industry Alliance](#)

While the survey results may describe some of us in our guild very well demographically, what it doesn't address is the breadth of our interests in different quilting styles and techniques. It also doesn't describe the social connections that quilters value and that our guild provides. The support and appreciation from fellow guild members is what helps each of us to become above-average quilters artistically.

Speaking of surveys, pepperoni is the most popular pizza topping in the US according to YouGov. Sausage ranked second, followed closely by mushrooms. Whatever your favorite pizza topping is, enjoy making social connections by sharing a

pizza with your friends and family on March 7th during our Lou Malnati's Pizza Night fundraiser.

Stitch on!

## Hospitality

Hello, everyone! The March Guild meeting is rapidly approaching, so start thinking about the table decorations that you would like to share. The theme for the decorations this month is St. Patrick's Day and spring. Please bring in your table runners, small quilts, and other seasonal decorations to display on your table and talk about with your table partners. It is always fun to see what everyone uses to decorate for the season!

—Fran Colby, Hospitality Committee

## Nominating Committee

### Looking For a Few Good Members

Our guild runs on volunteer power. Holding an officer position allows you to have a direct impact on our activities and the future direction of the guild while providing opportunities for social connection and personal growth.

Please note that officer positions are specified in our by-laws and are critical to the operation of the guild. The following officer positions are open for our next guild year. Please consider volunteering for one of them. If you would like more information about a specific position, please contact the current officer or Joan Chao. The Nominating Committee will recommend a slate of officers in April and we will vote at the May meeting.

**Vice President** – serves as VP for one year and becomes President the following year.

**Secretary** – 2 year position. Records minutes of Board meetings and Monthly Guild Meetings. Handles official Guild correspondence.

**Programs** - 1 year position to fill a vacancy. This is a shared position with the current Contracts chair. Responsibilities include monitoring workshop sign-ups, introducing speakers and set up and take down of equipment at workshops and Open Studios.

**Contracts for 2024-2025** (2 people) – 2 year position. Contract co-chairs plan programs, including lectures and workshops for the next year by signing contracts with instructors of their choosing.

—Joan Chao

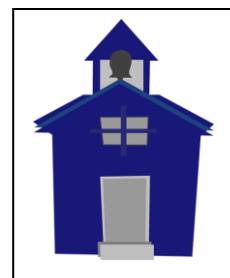

## Gatherings – Studios - Forums

### First Friday Gatherings

The guild's Friday Zoom gatherings will continue on March 3 at 10:00 am with a trunk show presented by Carol Allegretti. Besides learning about a fellow guild member and their quilting story through the trunk show, these gatherings often feature lively discussions on various quilt and guild activities. The question for March 3 is "How do you handle all the scraps and leftovers from a project?"

### Open Studios

The Open Studio on Friday, March 10 will be a School House Day where several members will present techniques or simple projects with in-person demonstrations and instructions.

Because it is part of an Open Studio day in our classroom space at the Lyons Township building, the School House format will be different than we've previously done at our monthly guild meeting. Topics will be presented at scheduled times during the morning and early afternoon. When topics aren't being presented, attendees can work independently on their own projects or practice a presented technique. As of this writing we have members presenting how to make a continuous bias binding, an easy trapunto technique, and getting started with ruler work for quilting. We are hoping to add at least one more topic. If you have a skill, technique, or life-changing tool you'd like to share please contact Linda Johnson (lindaellenjohnson@att.net) about getting on the schedule for the day. When the plans for the day are finalized, a schedule and basic supply lists for the topics will be emailed out.

-- Linda Johnson

### Machine Embroidery Forum

One of the benefits of being in a guild is getting advice from other members with experience.

A Machine Embroidery Forum is scheduled for Wednesday, March 29 at 7pm on zoom. This is for anyone who machine embroiders or who may be interested in starting machine embroidery. Bring your questions, your experience and thoughts and spend some time chatting with fellow guild members.

Anne Michalik will be moderating the forum. The following topics are on the agenda.

- What type of machine do you use? Single needle, multi needle
- How did you learn? Recommended books, classes, websites, YouTube videos, etc.
- Favorite Machine embroidery websites
- Supplies, stabilizers, thread

If you have questions, please contact Anne Michalik. See you on Zoom!

-- Anne Michalik

## Programs & Workshops

We are excited for the speakers and workshop leaders in the next few months. All workshops for the remainder of the year will be held on Saturday and will be all day.

### March

**Lecture:** Catherine Redford <https://catherineredford.com/> will entertain us with quilts featuring the language of flowers. Learn the meanings our ancestors ascribed to different blooms and consider why the giving and receiving of quilts is so special to many of us.

**Workshop:** Saturday, March 11, 2023 all day. Catherine Redford leads "Hand Embroidery and Beading for Quilters", which is a class that will teach basic hand embroidery stitches, with and without the addition of beads, making fringes and tassels, and beaded edge treatments, all in one class.

Catherine will bring kits with all materials needed to make the pictured samples (except scissors, which you need to bring). The kit cost is \$45, payable to Catherine.

### April

Lynn Schmitt <https://www.adifferentboxofcrayons.com/>, local quilt shop owner and pattern designer, will provide lecture on "Using alternative fabrics in quilts".

Workshop, Saturday, April 15 all day. Lynn Schmitt will lead a workshop titled "Logistics" where you will create a small pillow, table runner or wall hanging like the one pictured above. A kit with several colorways will be

available for selection in March at a cost of \$49.50. The base is wool. The accents are a mix of traditional and contemporary cottons, silks of different distinctions, batiks, home decor and wool. Each colorway is unique and includes an individual mix.

## May

We will end the year in May with a full day mystery quilt workshop with Bobbie Butler.

--Theresa Rodgers and Linda Wolf, Programs co-chairs

## **Library**

Marcia Jundarian donated a book, *Design Principles*, to our guild library. Thanks. It will be available to borrow at the March meeting.

I contacted the March speaker/ teacher, Catherine Redford, and she said that she would bring some books with her to sell. I wrote to her to ask which book to buy and asked her to autograph it. So I will see what is available at the meeting and probably buy a book for the library. If you have a recommendation, please let me know. The quilt guild library has one title by Catherine Redford already: *Modern Machine Quilting: Make a Perfectly Finished Quilt on your home machine*. Please let me know if you want to borrow it. I will have it available at the Library table if you want to look at it first.

---- Ann Olson

## **Community Service**

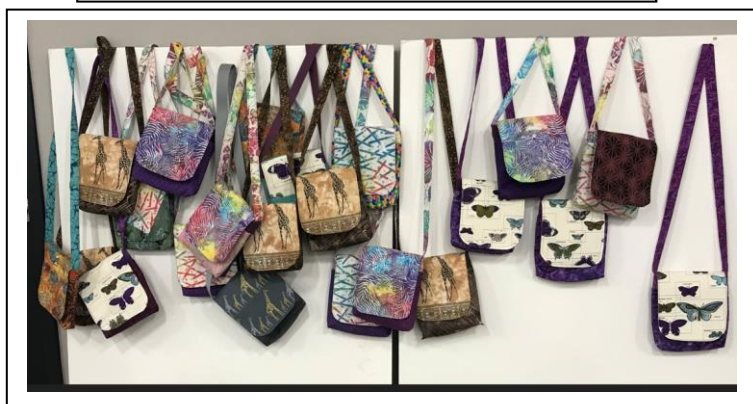

### Sew Powerful, So Rewarding

Our February Open Studio welcomed Donna Moscinski as a guest workshop leader. She taught our 15 participants how to make the Sew Powerful purse pattern for schoolgirls in Zambia to help with hygiene education. Donna made up 21 purse kits from her stash and we completed all of them.

And now we know how to make them on our own! In addition, we collected monetary donations to support the Sew Powerful organization. It was a fun and rewarding day!

# A CELEBRATION OF QUILTS

## A Celebration of Quilts

Thank you to everyone who submitted entries in the Celebration of Quilts. The sanctuary will be filled with a wonderful display of our members' talent not only on the pews but along the walls and hanging from the balcony. Now it's time to get out and promote the show. Posters and bookmarks will be available at the guild meetings and can also be obtained from Marilyn Montgomery.

I will be taking signups for show volunteers at the March and April guild meetings. Times are set up in two-hour increments.

Friday 3-5

Friday 5-7

Saturday 9-11

Saturday 11-1

Saturday 1-3

Saturday 3-5

Volunteers are needed for Admissions, Auction, Bake Sale and Hostessing. Admissions and most Hostess positions are seated jobs. Set up and take down will also require a group of workers. Set up is scheduled for 9-12 on Friday. Take down will commence at the close of the show on Saturday.

You will need to drop off your entered quilts at the Third Street entrance on Friday morning probably between 8:30 and 9:30. This time will be arranged so that it doesn't coincide with pre-school drop off at that same entrance so details about this are subject to change.

— Linda Kennedy, Celebration Chair

## Quilt Show Publicity

The momentum is building for the Celebration. What a celebration it will be! It will be one where we display our quilts in a beautiful new location. This setting is unique in our area. Furthermore,

people will have an opportunity to purchase one of our quilts at the auction.

Your word-of-mouth communication and efforts to sell tickets are so important. Personally, I went into my contacts list and sent the poster to anyone who I thought might be interested. I will repeat this towards the end of March/ beginning of April and one more time the week before the Celebration. It was so easy, and I received many positive replies. Don't be shy. We need to give people the opportunity to "yes" to the show.

We need your help to display posters and distribute bookmarks. Here are some ideas:

- Think of places where people wait in line like bakeries and coffee shops.
- Ask a friend to put it up in their workplace cafeteria or breakroom.
- In windows where people walk by like store fronts. A poster in the window may catch someone's attention.
- Places where people take art or craft classes like park district buildings or art shops.

The posters only do good when they are on display. Please take some and find some time to display them. And it is so easy to email them and post them on social media. The income from the show has a direct impact on our ability to operate as a Guild. The publicity for the Celebration is a team effort. Equally important, we need to let people know what a great group of talented quilters we are by having them come to our show.

— Marilyn Montgomery

## Baskets

So you want to know more about how to help with baskets?

- We need fabric, fat quarters, half yard, longer pieces. Jelly rolls, Kaffe fat quarters, etc.
- We need your unused, never will make them complete kits.

Ideas for baskets that we don't have yet:

- Sports, Travel, Handi-people (for guys and dolls),
- Gardening (check out sales at Ace and True Value or the Dollar store)
- Movie night

Contributions for baskets in the works:

- Sports fabric, children's items, gift cards, cookouts,
- Knitting, sewing supplies (needles, unused rulers, clips, etc.)
- Aprons, cooking mitts and other BBQ items for a grill,
- American Girl doll items

We also need large baskets. We are also looking for 1.5 yards of netting or tulle as basket wrappings. Pretty ribbons, too.

Any basket supplies can be brought to the meeting March 9th or dropped off at Martha Barry's garage before the meeting.

Thank you.

— *Martha Barry, Your friendly Basket Committee*

You can email me the picture, print it and bring it to the meeting with the form, or bring your donation and I will take the picture. If you have questions, please contact me.

There is a variety of donated quilts. There are appliqued ones, pieced quilts, and a rag quilt. Makers range from anonymous to long-standing members. Skill level is from members who consider themselves beginners to professional. Sizes range from tabletop to king size.
